NRA Club No. C0051

CMP Club No. 42043

15 November 2008

It was a beautiful autumn day, with lots of blue skies and a very strong northwesterly wind. The day started out cool, and got progressively cooler as a cold front moved through the area. The strong winds caused everyone's scores to be a bit lower than normal, but fun was had by all.

Wayne Creel won the match with a 713-13X. Bruce Pickering continued to show his strong improvement following some fine tuning to his trigger with a 708-9X winning the combined Expert/Sharpshooter class. Warren Freeman also has been coming on strong recently, finishing second in the class with a 707-12X. Jim Biermann won a competitive Marksman class with a fine 650-3X, with Steven Lewis turning in a 628-3X for second place in the class.

The next across the course match will be held on Saturday, 17 January 2009
