

Palo Alto Rifle and Pistol Club

NRA Club No. C0051

CMP Club No. 42043

21 March 2009

Although it was a beautiful spring day at Palo Alto, the score scores did not reflect the gift from Mother Nature. Uncharacteristically low scores dominated the match in all categories, although some shooters did manage to do quite well. **Dan Zelenka** won the match with a 774-15X, and the old warhorse **Norman Bennett** won the Master class with a 721-5X, showing all those young guys how it is done. **Mike Strikmiller** decided to change his point of aim at 600 yards, and it paid off big with a master class score to win a competitive Expert class with a 753-21X. **Bruce Pickering** is bound to get his master card soon, turning in a 747-17X to finish second in the Expert class. It has been quite some time since we had enough sharpshooters to have a class award, but with all the new shooters quickly moving up in classification, the Sharpshooter class is growing. **Joe Meaux** won the class with a nice 728-12X. And, junior **David Higgins** won the Marksman class with a 735-9X.

Note, there will be no XTC match in April. The Bayou State Regional High Power Rifle Matches will be shot in April instead.

NRA has published a new rule for rapid fire To read the rule change in its entirety, see http://www.nrahq.org/compete/rules/rul_hpr_09.pdf

The next across the course match will be held on Saturday, 21 March 2009
